LINCOLN UTC

16-19 BURSARY FUND POLICY

WHAT IS IT?

The 16-19 Bursary Fund is a grant calculated and paid to Lincoln UTC (LUTC) by the Education and Skills Funding Agency (ESFA). The grant aims to assist vulnerable students and students in need of financial assistance to continue attending school by removing financial barriers to participation.

Students may apply to the Discretionary 16-19 Bursary Fund for financial assistance at the start of the academic year. Students joining after 1 September should make their application within 4 weeks of joining LUTC.

Further information on the 16-19 Bursary Fund can be found at www.gov.uk/1619-bursary-fund

Am I Eligible?

Bursaries can only be paid to students that meet the Department for Education's residency qualification.

There are three types of bursary awards available:

1. Vulnerable Student Bursary

A fixed award to students who fall within the following criteria:

- Young people in care
- Young people who have left care (Care Leaver)
- Students receiving Income Support or Universal Credit because they are financially supporting themselves or financially supporting themselves and someone who is dependent on them and living with them, such as a child or partner
- Students receiving Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and support Allowance or Universal Credit in their own right

For students qualifying for a Vulnerable Student Bursary, LUTC will receive a fixed award of £1,200 (which will be pro-rated for any students starting later in the course), payable over the duration of the course. LUTC will agree with the student how the award can be used to support them.

The criteria for the award are set by the ESFA and must be strictly adhered to. Proof must be provided to the school to confirm eligibility for this award.

2. Discretionary Awards

These awards are more flexible and can be awarded to any student deemed eligible by the school. The eligibility for this award is set by each individual school, so neighboring schools may have slightly different eligibility criteria.

What kind of assistance can I apply for?

Travel

The principal assistance provided to students is to cover excessive transport costs to and from LUTC. We will only support the cheapest form of return travel to LUTC by public transport.

The level of support offered is linked to the available household income. All applicants will need to provide proof of the income and or benefits received by each member of the household. Failure to provide complete information will result in any bursary offered being stopped and any payments already made being reclaimed from you.

<i>Details of Household Income</i>	<i>Travel Support Provided</i>
Students eligible for Free School Meals (Application for FSM made to Lincolnshire County Council and notified to LUTC)	Full cost public transport provided for.
Students in a household with income of less than £25,000 per annum.	Full cost public transport provided for.
Students in a household with income of more than £25,001 and less than £35,000 per annum. *(Please note there is a finite amount of funding available from the ESFA, therefore awards to those most in need will be considered first and the amount of assistance may vary according to the availability of funding).	We expect all students or their parents/ carers to make a contribution towards the cost of travel. This is currently £14.00 per week (the cost of a Mega Rider in Lincoln). The amount of travel costs by rail or bus in excess of £14.00 per week can be claimed from the bursary fund.
Students in a household with income of more than £35,001 and less than £50,000 per annum. ** (Please note this award will only be available if there are remaining funds after awards have been considered for households with an income less than £35,000. The amount of assistance may vary according to the number of applications as there is a finite amount available from the ESFA).	We expect all students or their parents/ carers to make a contribution towards the cost of travel. This is currently £14.00 per week (the cost of a Mega Rider in Lincoln). Up to 50% of the travel costs by rail or bus in excess of £14.00 per week can be claimed from the Bursary Fund (** subject to availability of funds).

All applications should state the mode of travel and from where the journey commences.

At the discretion of the school, the student will receive either a travel voucher that can be exchanged for tickets, a travel card that has been topped up with the amount of the bursary awarded or a payment to the student's bank account to cover the cost.

Payments will be made on a half termly basis, the first being in early November. If payments have been made directly to the student's bank account they will be asked to provide evidence of the expenditure, such as a used ticket from time to time so that the ongoing need for support can be verified.

Should attendance fall below 95% LUTC may reduce the amount paid to reflect the attendance.

Applications for travel bursaries should be made by 18 October 2019 or within 4 weeks of the students' start date at LUTC.

Other Support

Students on Free School Meals or in households with income less than £35,000 per annum may apply during the year for financial assistance in the following areas:

- Books materials and equipment needed to complete the chosen course
- Emergency accommodation and meals
- Course trips
- Interviews and open days at Universities (travel costs to and from the University)

Awards are payable to the student, and will be settled to their bank account on receipt of evidence of the expenditure incurred.

Prioritisation

At LUTC priority for the discretionary awards is given to support students with transport costs. Once bursaries for transport costs have been allocated, consideration will be given to other applications, providing this is affordable within the amount received from the ESFA.

Proof of Income

Proof of income will be required from all members of the household / those supporting the student, this can include:

- A P60 for the latest full tax year
- Last three months wage or salary slips
- Benefit Entitlement Letter
- Full Tax Credit Award Notice
- Annual Tax Summary issued by HMRC for last full tax year
- SA302 Tax Calculation Form
- Certified Accounts, if self-employed

How do I apply?

Application forms are available for collection from Reception or available to download on our website under Policies.

Requests for a travel bursary should be made by 18 October or within 4 weeks of joining LUTC. Students in receipt of a travel bursary in Year 12 will need to re-apply in Year 13.

Requests for other support should be submitted as the need arises.

How long will take for my application to be considered?

Applications are considered as soon as possible after receipt, but within a month at the very most. Applications are considered by the Principal and the Chief Finance Officer. Any information provided and part of the application process will be confidential and treated with sensitivity. Successful applicants will receive a letter confirming the amount awarded.

Payment of the award will be determined by LUTC – this may be to the student, travel company or other party. The letter will inform the student how the bursary will be paid.

If further information is needed to support the application, a letter will be sent requesting this before a decision can be made.

A letter will be sent informing the student if the application is not successful and the reason why, referring to the criteria above.

Can I apply more than once?

Yes-applications can be made at any time during the school year, though travel bursaries should be made at the start of the academic year.

Is there a limit to the monies I can apply for?

In theory, no. The monies provided to the school are limited, however, and consideration needs to be given to ensuring sufficient monies are made available to those students who need the most assistance.

Careful consideration will be given to each application.

Appeals

If your application is unsuccessful, you may appeal against the decision by writing to the Chair of Governors. Your letter needs to include what you applied for, the amount you applied for and why you feel that the application should have been successful, referring to the criteria within this policy.

Declaration

I declare that the information on this form is true and accurate to the best of my knowledge. I make this claim for a bursary fully aware that false statements can lead to the refusal or withdrawal of any financial support and may be treated as fraud against Lincoln UTC.

I understand that if I refuse to provide information relevant to my claim the application will not be accepted.

I understand that monies I receive will be paid on the condition that standards of behaviour and attendance are met; in-particular, if attendance falls below 95% I may see any travel bursary reduced by the same factor.

I will notify Lincoln UTC of any changes to household income or other factors that may affect eligibility for a bursary.

I confirm that I have read Lincoln UTC's Bursary Fund Policy.
