

KS4 2022 Exam Results

This year has been our best year for 5+ English and Maths, 7% higher than our local authority average, (all schools in Lincolnshire) and 4% higher than national average.

As well as our best year in English and maths, our 2022 cohort also completed an additional engineering qualification in year 10 that was not included in our progress measures.

Student destinations - Education, employment and training

Students progressing to further education, employment and training	98%
National Avg (latest published figure 2021)	81.2%

Attainment 8	44
Ebacc Average Point Score	3.12
Progress 8	-0.41
Students entered in English Baccalaureate (Modern foreign language)	0
DfE acknowledge that Progress 8 and Ebacc scores are not appropriate measures for STEM and specialist colleges. UTC and Stem colleges do not take students from year 7 and do not teach all subjects.	

KS5 2022 Exam results

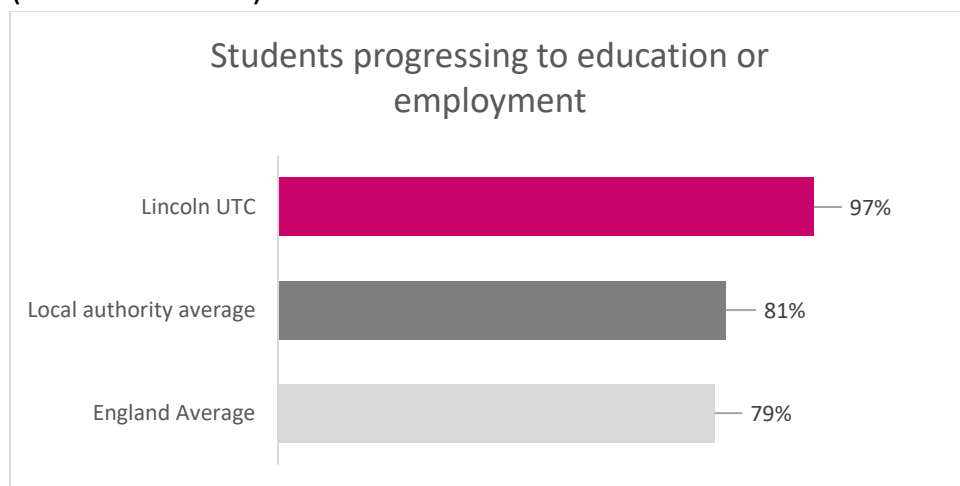

A level attainment

Lincoln UTC Average Point Score	36.76
Lincoln UTC A Level	B-

For KS5 our engineering (BTec) grades continue to impress. This year our students achieved 100% MPP and above and 71% DMM and above.

	Average result of last published exams	Points	Completion and attainment score
Lincoln UTC	Distinction	36.12	0.67
Lincolnshire state- funded schools/colleges	Distinction -	32.17	0.4
England all schools / colleges	Merit +	28.64	0.0

Student destinations- Education employment and training (Year 13 leavers)

Retention measures for state-funded schools and FE sector colleges will be provided in March 2023
